WORK EXPERIENCE

LOWE'S HOME IMPROVEMENT
Department Supervisor **Lakewood, CO | *July 2025 - December 2025***

Lead department operations with a strong focus on customer experience, inventory control, store standards while reducing turnover. Support store operations through opening/closing procedures, cash control and processing, resolution of customer escalations, and override decisions. Developed associates by means of group and individual training sessions targeting key store initiatives resulting in improvements across shrink, attachment, credit, loyalty and metrics.

- Maintained a strong safety culture by enforcing equipment protocols and leading safety-focused team practices.
- Strengthened inventory accuracy and loss prevention through cycle counts, organization, and proactive shrink reduction strategies.
- Developed an underperforming associate into a proactive and reliable team contributor through structured training and ongoing support.
- Resolved complex customer issues involving high-value orders, ensuring retention and satisfaction.

LOWE'S HOME IMPROVEMENT
Pro Sales Specialist **Littleton, CO | *February 2022 - January 2025***

Coordinate and oversee end-to-end materials procurement from multiple pipelines to meet pro's project timing and budget. Drive business credit approvals, loyalty enrollments and sales via in-store, event, and online channels. Leverage Salesforce to manage all customer interaction to help deliver top notch customer service while identifying opportunities for targeted sales and areas to increase customer spend.

- Ranked #1 in credit approvals and loyalty enrollments storewide.
- Regional Top 100 in sales for FY23.
- Increased annual sales by 300% to $1.3M surpassing sales targets by 20% and earning President's Club honors.
- Secured 11 new business accounts at trade shows and conferences, generating $500K–$750K in FY22 revenue, with two accounts scaling to managed status and exceeding a combined $1M in annual spend by FY25.
- Drove #1 district-wide ranking in pro shingle sales for FY23 by proactively forecasting market demand for shingles ensuring optimal inventory availability.

ANGI
Admissions QA Representative **Golden, CO | *September 2019 - February 2022***

Analyze and vet new Home Advisor accounts based on criminal background concerns to determine approval eligibility. Work with new and existing customers, sales department and license boards to achieve and maintain compliance with local and state level licensing requirements across all United States.

- Supported system migration during Angi–HomeAdvisor merger by updating over 10% of account profiles.
- Exceeded productivity KPIs by 25% and maintained QA standards 10% above department targets.
- Perform periodic, account reviews to identify and correct compliance issues, in order to keep ANGIs reputation for trustworthy, safe, contractors.

Inside Sales Consultant **Golden, CO | *October 2018 - September 2019***

Handle between 150 to 250 cold calls, and 3-5 warm calls daily to business owners of all sizes across the United States to consult on Angi's online marketing and lead generation service. Worked with business owners across home improvement and construction markets to tailor ANGI's services to best fit the needs of their business.

- Provided excellent post approval guidance and support to drive customer retention.
- Overcame objections and built trust with business owners, converting cold prospects into engaged customers through consultative sales techniques.
- Prospect by scraping social media, websites, databases and licensing boards to identify new and established businesses that could benefit from Angi's lead generation service.
